Date 12-4-46
N 12 3 2

May it please your Lordship SIR

We the Catholic Parishioners of French Rocks beg leave to submit the following before your Lordship's SIR kind consideration and favourable orders

A report may be called for from the D C Mandy JFA 12/4/46 Revtey

The Catholics semitry is situated adjacent to the French Rocks Municipal Boundary on the South Nearby is the Officers Quarters The lands situated around the Semitry are watered by Irwin Canal, as a result of which the residents of the town and specially the officials residing in Officers Quarters are always affected by Malaria

For the last 10, or 12 years an account of the Irwin Canal water feeding the dry lands situated around the semitry has become marshy and undrainable

When earth is dug to burry dead bodies water is always found beneath. Even when old tombs when dug to rebuild, besides marshiness dead bodies are found rotten and water-logged

We represent to your Lordship SIR that we do not have sufficient place in the semitry even for burrial purposes as the semitry is almost full

Prior, when we had approached the Taluk authorities in the matter we were informed by an endorsement No dated by the Amildar of Seringapatam Taluk, stating that the land adjacent to the semitry is best suited for Catholic Semitry and as such that the said land would not be given to any local peoples for upset price

In this connection we submit to your Lordship SIR that the said land bearing Survey No which is known as Gundu Thope" is of Nine guntas in extent and is situated by the road side adjacent to Catholic Semitry. a /

This land is at present given to a Mohammadan under temporary cultivation scheme

We request your Lordship that a spot inspection may kindly be made and to kindly consider the matter and order for the creation of a dry belt around the Catholic Sepurity so as to prevent it from being water logged and marshy, which would also be in the interest of the Public Health of the town

Lastly we pray that the said land may be given out for an upset price of a small amount of Rs 5/ or 15/ for being utilised for Catholic Semitry

For which act of kindness and benevolence, we are highly grateful to your Lordship and to the Benign Government of His Highness the Laharaja of Mysore.

We beg to remain,
Your Lordship's most loyal and loving subjects,
The Catholic Parishoners, French Rocks
